Tannaghmore P.S.

Spring Term

Welcome Back!

We hope you have had a wonderful Christmas holiday. We have a lot to look forward to this term. This Newsletter gives you some information on what to expect in Term Two.

This busy term will see us learning about World War Two and going on our living history trip to the Palace Stables in Armagh. With Lent, Easter and our First Penance coming up we will be working hard to prepare for those. Our coding skills will be developing in ICT through use of Scratch and other coding tools.

Homework is an important way to support your child's learning. Don't forget our P4 Digital Newsletter provides weekly links to support the work covered in class.

READ FOR 15
MINUTES EVERY
NIGHT

LEARN PRAYERS FOR
OUR SACRAMENTS

COMPLETE
MATHLETICS TASKS

In World Around
Us this term we
will be learning
about World War
Two

In Religion we will
be preparing for
Lent and Easter as
well as our First
Penance.

In ICT we will be
learning how to
code using
Scratch.
